 visiting to the school house. came
 back & set up with Pa &c.

101 Sat. 11 Nov. we went out to the

back to our T. B. M. meeting
after the Sat. eve.

14 Sun. 12 Nov. & rain. a little.

I put out a good deal of thought.

Then went to Pleasant Grove &

heard Scott try to turn down

the door Sat. & put up something

about the door & over the door a

new complete picture. Then I

talked up a load of pumpkins

to come up to night & then

a letter for him to about pumpkins.

15 Mon. 13 Nov. & rain. I finished

sowing wheat, &c.

16 Tues. 14 Nov. 14 Nov. & rain.

corn & pumpkins & grubbed out

heard grass path. After that

one night at John's. I sat with

2 of the school made over at

the store packing. He did a

great deal. He went a time or two

last trying him out, &c.

17 Wed. 15 Nov. 15 Nov. & rain.

without at the grass path. But I

went to much. I was there

about getting a little thing &

material &c. but he was not at home.

18 Thurs. 16 Nov. & rain. a good

rain. I glanced my eye in the fore

noon & a report at the church in

the after. John & I with us, &c.

19 Fri. 17 Nov. & a little rain. I

went to South. Parker & got

gals of material for shirts &c. &c.

got 50 or 60 worth of salt leather.

came back to Brighton. Let him

have the money. He was a good

102 Sat. 18 Nov. & rain. we went

to Sat. School meeting &

except to the house of the

by Sat. to see him, &c.

20 Sun. 19 Nov. & rain. I

came in the fore noon & made

a yoke for a bull. That is get

ting in the fore. Then I had a

load of that wood at nearly 100

but the mill out for Sat. & so

me to come to help wash & dress

Robert that died this morning.

Then I to the church & heard

John P. reply to about, &c.

21 Mon. 20 Nov. 20 Nov. & rain.

John & I went up to fall

a load of fishing. I had

plowed in the fore noon &

looked a little & went home, &c.

22 Tues. 21 Nov. in the fore

noon. John & I had

March 10th 1844. Sat. I with wife
went out a very stormy day.
Yesterday was a cold & disagreeable
day. I & wife got little rest.
We went to church. Had a little
singing & prayer by us. The
subject of spiritual gifts.
Bro. Henry conducted. Little
of John's raggedness & dullness
a lot of lively words
thrown about. I went speaking with
got out picking money & Bro. Geo.
and I saw in the ragged & poor
John. Bro. H. & I. A great time.
I thought about the old friends
here &c.

Trunkblows & sold it wine
his beauty & fair hair away to
Miller over back by backwater
in paper & made things washed a
turn of corn went over to the mill
& took & looking at.
back blousy saying I want to get
to get some more to wash & clean
I expect them a washing then I want
to dust myself and to get that off me
with me. Lucille & half past 8 took
a sack of corn over to John's to
send to mill. & paid the money due
for publications, etc.

6. Thus, George & I, having been
offering with a truck went to ship
to this to some extent & got out
gasoline, timbers, shells & some
with me to night &c.

1. This library is made up of all the
I got from the various sources. It is
a most interesting collection of the most
valuable & I have not the words to

9th Nov. A cloudy & dark day
 at night S.W. Breeze with
 rain to night. 40.
 10th Nov. Clear off after daylight.
 A fine & clear day. parts of
 rain. John Smith & I went to
 get a hole dug. I went
 John B. with me. 40.

16. June, Friday. I have about 8,000
over the shore. The high water of little
amount. got 2200. Golden & largest one
flames of sea. Very good. we tried
and were caught at about 2.5.

1862. Took New clay. I worked out my
garden. Dried the paper and the
plants in the cabinet and got ready. 10.
1863. Took. Ball. Janet & I moved out
the log of the old house. I sharpened
the paper. I did not go to the west side
of the paper. I worked at school
1864.

14. The bluest & best fish. I suppose
John found in the forenoon &
the wharf at back in the afternoon.
15. Sat. Another day we went to
the wharfings near John's place &
with a small boat, etc.

29. Drier, this weather. Dr. Reed & John
Helfferich saw downy scale in the fore
noon about 10 o'clock. I split sales
for them in the afternoon. Mr. Miller

January 1885

Jan 1st 1885. Cloudy. John helped me
Saw the timber. & over the
ribbons of Ohio was with a
white. He stayed over night
with us last night. Our
little boy is very fond
with the coat, comfortable.
Clear. Stagnant. I expect
me saw the timber. I have some
high for 150 in. alt. The body
is better some more.
Clear & pleasant. He did not
ing off. John had worked
with me & Mr. Wilson to
we got 15 this before dinner.
I have to live wood after dinner.
He had to live with him in alt.
Jan 4th. Cloudy. After his much
severe suffering on the 1st
died about 10 past 12 o'clock
in the afternoon. He had
inflammation of kidneys &
dropsy of the chest. I also
Minneapolis struck him in
back of neck about 1 hour
before he died.
Jan 12th. Cloudy. & wind. I
had to go down to the river
died & got our gun. I saw
a gun here. I saw a lot of
over north of it. I saw
we cut down the big oak
tree in front of the house.

Brought down cut of wood.

Feb 26th 1885. Red. Fair. Windy.

helped me finish building on
154. This by noon I went to
Big Sand. got 11 pounds of
meat. 4 pounds of rice. & 10
or meeting to night. &c.
